

Instructor: Cory Tower

Class: Graffiti Painting Workshop

Students will need to bring the following:

- 1 8" x 11" sketch book
- 1 Pencil
- 1 Eraser

(The items above do not need to be purchased specifically for the course but the students will need a sketch book for the class)

PAINTS - 8 cans - Montana water based aerosol 300ml

- 1 x carbon Black
- 1 x titanium White
- 1 x light
- 1 x medium
- 1 x dark
- 1 x contrast colour
- 2 x colour of their choice

The students will chose a colour scheme ie - Blue. They will need to pick a light, medium and dark version of that colour.

The contrast colour should pop against the colour scheme.

The 2 "people's choice" should be just that. It should be two colours that the students really like but maybe doesn't fit the colour scheme.

*I would advise against using Metallics for any of the colours or colour schemes.
