

# Children and Teen Camps: March Break

March 10-14, 2025

Our March Break Art Camps for children and teens offer restorative daily getaways. Taught by qualified, professional artists, the programs encourage originality and are designed to develop your child's creative literacy and art skills – all in a fun and supportive studio environment. Unless stated otherwise, programs are half-day sessions for one week. If two programs are combined for a full day of instruction, lunch supervision will be provided.

*Please note: We are unable to provide refunds/credits for days missed due to inclement weather.*
